Mayor's Message

Happy New Year's

I am writing to you at the beginning of a New Year, a time when it is useful to reflect on the past, as well as look forward to the future. As we come to the end of another successful year here in Mapleton, I want to thank each of you for your help. Over the years I have come to realize that the success of Mapleton is a reflection on its residents within this wonderful community.

Thank you to all who participated in our annual 24th of July Celebration and Holiday Tree Lighting Ceremony, I am certain that many of us look forward to these events each year. We can all recognize that the seeds planted in years past, can only make our future a success.

Having the opportunity of being your Mayor has been a privilege. I am determined to make the very best of this upcoming year. With our strong, motivated residents, volunteers, city council, and city staff we can surely make 2013 one to remember.

Once again, on behalf of Mapleton City, I wish you and your families, a happy and successful new year.

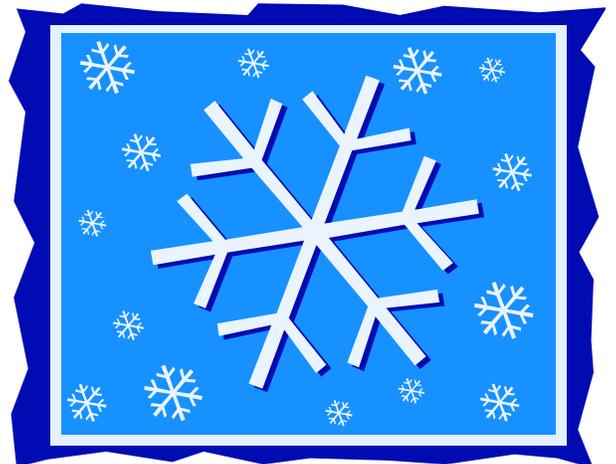

Christmas Tree Removal

Just a heads up that Allied Waste will be picking up Christmas Trees in Mapleton Wednesday, January 16th thru Tuesday, January 22nd.

Youth City Council

We would like to thank the 25 wonderful young people who have served so very well on the Mapleton City Youth Council this past year. They diligently served the community in a variety of ways with a food drive, helping with the July 24th celebration, hosting a day camp for children in June, supporting and volunteering to help the Mapleton Chorale, the Moonlight Marathon, and the Literacy Center among other activities. We will be choosing next year's council in January. Those youth who will be a Sophomore, Junior, or Senior next year and would like to serve the community can pick up an application at the city offices starting January 2 until January 10. Once again thank you to the youth council and their advisors.
