## Public Safety

#### Detour for 24<sup>th</sup> of July Parade Route

On the morning of July 24<sup>th</sup> Main Street will be closed at 8:45am from Maple Street to 1200 North for approximately one hour. Maple Street will also be closed from 200 East to 300 West for approximately one hour starting at 8:45 am while the parade is in progress. To use an alternate route to go north use either 300 West or 200 East, and to go south use either 800 West or 1200 East. Have a safe 24<sup>th</sup> of July!

#### Firework Restrictions:

Fireworks can cause extreme damage when not properly used. Please do not set off illegal fireworks as you could be issued a citation. Watch for firework restricted areas coming soon on the Mapleton City web site.

#### Thefts

With the summer months come more thefts so please keep your garage doors locked at night and bicycles put away so they cannot be easily stolen.

## Pioneer Day – July 24<sup>th</sup>

#### “With Joy, Wend Your Way.”

Start training for the 5K and pre-register now. Go to [www.pioneerday.blogspot.com](http://www.pioneerday.blogspot.com), click on the “2013 5K Registration” post to get started.

We are looking forward to a great start to the day's festivities with our **parade**. Individuals, families and groups are invited to submit their entry forms to parade chairmen Dave and Joanne Sutherland prior to **July 9, 2013** for inclusion in this year's parade. Entry forms, rules and liability waivers are available from Mapleton City offices or on the blog site [www.pioneerday.blogspot.com](http://www.pioneerday.blogspot.com) under the “2013 Parade Forms and Info” post. If you would like to participate in Arts and Crafts by displaying your own art, like paintings, drawings, ceramics, crafts, quilts, etc. then check the blog for registration info. There will also be an activity for children to participate in on the stage area.

## Grand Marshalls

Leslie and Reed Francis have been named as the Grand Marshalls of this year's July 24<sup>th</sup> Celebration and Parade. As Reed was walking the halls of Springville High, he said “Hello” to a beautiful blonde and it changed his life forever. After two years of a special romance, they were ready to get married.

Reed went to San Diego and found a job in the Consolidated Aircraft Corporation. The company was building B-24's for the war in Germany. He saved for an engagement ring and wrote a letter to Leslie's parents, asking for her hand in marriage. Leslie and Reed were married in the Salt Lake Temple on May 26, 1941. They returned to San Diego to begin their married life together, and had 9 children together. After 25 years of teaching, Reed took an early retirement.

Leslie and Reed have enjoyed 72 years of romance in their special, happy marriage. And they can now include 84 descendants in their family. Mapleton is proud to honor Leslie and Reed Francis for their legacy of service and love.

## Notice of Election and Candidates

The 2013 Municipal General Election will be held on November 5, 2013. The candidates are: MAYOR (4-year term) Brian Wall and COUNCILMEMBER (4-year term) Jim Lundberg, Ryan Farnworth and Josh Diamond. The polling places will be announced at a later date. Any person who is eligible or qualified to vote in a general election may register and vote in a municipal election. In order to vote in a municipal election, a voter must be registered. Additional information and registration forms may be obtained from the Utah County Elections Office at (801) 851-8128 or at [www.utahcountyonline.org](http://www.utahcountyonline.org). For further information please contact the Mapleton City Recorder's Office at (801) 806-9106.

## Public Works

### What is storm water runoff, and why should we care?

Melting snow and rain are considered storm water runoff; it runs off roads, parking lots, driveways, roofs, and yards. As it flows across these surfaces, storm water picks up contaminants such as oils, salts, sediments, fertilizers, pesticides and household chemicals. Contaminated storm water flows into storm drains, ditches, and gutters, and eventually into streams, wetlands and lakes. Contaminants in storm water runoff impair water quality in streams and wetlands, and they can lead to fish kills, loss of wildlife habitat, and public health risks. Uncontrolled storm water runoff is one of the largest remaining sources of water quality impairment in the United States.

As our community grows, more land is covered with hard surfaces. This means more water reaches streams more quickly and is potentially more contaminated. Let's work together to lessen the degree of contamination and help protect local water resources.

You can also help us ease the flooding potential by keeping storm drain inlets near your property clean of debris or by reporting them to the Public Works Department at 801-489-6253.

## Community Development

### Can I subdivide my property?

There are various factors that determine whether your property could be subdivided. The city is divided into various zoning districts and each zone has specific requirements for minimum lot sizes, length of lot frontage along a city street, etc. For example, property in the A-2 zone requires a minimum of 2 acres per lot with at least 200 feet of frontage on a city street.

Other factors include the location of sewer, culinary water and pressurized irrigation lines, the availability of water credits, the location of future roads and trails, and the required impact fees. If you are interested in subdividing your property, please contact the Community Development Department to better understand the process and your options as a property owner.

## Literacy Center

Mapleton's Annual Used Book Sale is going on now, downstairs at the City Offices until July 6th, with new donations coming in daily. Thank you to the many Volunteers that have come to serve as tutors at our Literacy center. We have had an unprecedented amount of interest in the tutoring program and are thrilled to be able to support the children and families with their literacy needs. Anyone interested in becoming a tutor please contact Judy at 801 489-4833.
