## Mayor's Message

### How to Find a Water Leak in Your House

As each of you are aware water lines running to your home are "metered" for accountability and billing purposes. A water leak can be very costly, even a very small leak. There are a few things you can do to check for water leaks within your home, such as:

- Check the Pressure Relief Valve on your hot water tank;
- Check the toilet for leaks by removing the top of the tank and listening very closely;
- Check the shower heads for leaks; and
- Check all the hose-bibs (hose-bibs are the pipes that you hook your hoses to) for leaks.

For additional information regarding water leaks feel free to visit the United States Environmental Protection Agency's website at [www.epa.gov/watersense/fixleak](http://www.epa.gov/watersense/fixleak). If you are not able to find the water leak, you may want to consider contacting a professional plumber.

### Mapleton Lateral Canal Trail

As many of you know, the City is planning to construct a pedestrian trail that will connect with the Hobble Creek Trail in Springville in the north and eventually to the Spanish Fork trail system to the south. The City has held several open houses to introduce the trail to the public and to receive public comment. The City has posted a Frequently Asked Questions (FAQ) link on the City's website to provide answers to many of the questions that have been asked. If you have any interest in the trail, we encourage you to visit our website at [www.mapleton.org](http://www.mapleton.org). If you have additional questions, please contact Sean Conroy, Community Development Director, at 801-806-9101 or [sconroy@mapleton.org](mailto:sconroy@mapleton.org).

## Public Works

### Debris

The City regularly sweeps the streets and cleans the storm drains and sumps around town. With the fall weather approaching and the heavy rain storms we have had, we need residents help in keeping leaves and yard debris out of the streets and gutters. Please do not blow leaves or yard debris out into the streets from off your property. This will minimize the chance of the storm drains becoming clogged and causing localized flooding and property damage.

### Pressurized Irrigation

Weather permitting, the pressurized irrigation system will remain on through October 15<sup>th</sup>.

Questions on streets, water, sewer, or pressurized irrigation should be directed to the Public Works/Engineering Department at 801-489-6253.

## Public Safety

### Barking Dogs

Recently we have had a few calls on barking dogs. It is against Mapleton City's Ordinance 6.08.130 to let your dog bark continually, which could result in a misdemeanor citation. Let's be considerate of our neighbors and take care of our barking dogs before the police get called.

### Springville/Mapleton Emergency Notification System

Mapleton City, in conjunction with Springville City, has a new emergency notification system. Everbridge can notify our citizens of emergencies and upcoming events. If you receive a notification and do not reply you will be called or texted again. If you only have a cell phone and want to opt into the system please visit the link below:

<https://member.everbridge.net/index/1772417038942978>

If you have any questions or concerns please feel free to contact Chief Dean Pettersson with the Mapleton Police Department at 801-491-8048.

### Winter Parking

With winter just around the corner it is time to remove all boats, trailers, and vehicles parked on the side of the roadway. During the months of November, December, January, February and March it is illegal to leave your vehicle parked on the side of the road between the hours of 11pm and 6am. In addition, during any months you cannot leave your vehicle parked on the side of the road for more than 48 hours without moving it. The City's street sweeper will be coming through the neighborhoods to clean out the gutter before winter and the snow plow trucks will need to have the vehicles off the street so they can plow the roads effectively and not damage any vehicles.

## Utah County Health Department

### Referee

If you'd like to be a referee please send an e-mail to [parksandrec@mapleton.org](mailto:parksandrec@mapleton.org); include your age, any playing or previous refereeing experience, and a contact number.

## Library/Literacy Center

The Mapleton Family Literacy center is looking for volunteers to tutor. This is a great opportunity to serve our children in the community. Anyone 14 years or older can help. A love for reading and a couple hours a week is all you need. Our center is open Monday-Thursday from 3:30pm to 6pm with supervisors on site to support. Call Judy at 801-882-4400 or 801-489-4833.

Through the support of donations and book drives by many of you in the community we are able to maintain a quality tutoring and parent resources center. We are accepting mildly used books on an ongoing basis. You can make a donation at Library. If your school or organization would like to do a book or game drive please contact the Library. We appreciate your support.

Daughters of the Utah Pioneers are selling a wonderfully informative book called "Early Homes in Mapleton". There is a copy at the Library to look at. To purchase one, please contact Sue Wiscombe at 801-360-7109 or email [gsue7@gmail.com](mailto:gsue7@gmail.com). The cost is \$20 and quantities are limited.
