Department..... Engineering /Public Works  
Time Required for Agenda Item..... 10 Minutes

## A G E N D A I T E M

---

*TO CONSIDER A RESOLUTION AUTHORIZING THE PUBLIC WORKS DIRECTOR TO PURCHASE ONE NEW FORD VEHICLE FOR THE PUBLIC WORKS DEPARTMENT.*

---

### **BACKGROUND INFORMATION:**

The Public Works Department is currently in need of replacing one of its older service trucks.

The existing vehicle is a 1999 Chevrolet K1500 pickup truck which has 185,000 miles.

The replacement of this vehicle will be purchased thru the Utah State Contract Bid Schedule.

### **COST:**

The cost of a new 2014 F150 pickup is \$28,549.00

The current plan is to rotate vehicles with a minimum of 7 years or when maintenance cost become an issue.

The monies for this vehicle would be coming out of the Public Works vehicle replacement fund.

The department is currently planning to purchase a new snow plow and replace another service vehicle during the 2014/15 budget year.

### **RECOMMENDATION:**

Recommend that the Public Works Department purchase one new vehicle and surplus the existing older vehicle to offset the cost to replace the new vehicle.
