

Garbage Services

Mapleton City contracts its solid waste collection services with Republic Services. If you have questions concerning your garbage service, contact Republic Services at 801-785-5935.

Collection Days & 2016 Holiday Collection

Garbage pickups are on Monday. Please have cans out by 7:00 am regardless. Some residents need to have their cans moved across the street to ensure their garbage is collected. If you have followed these guidelines for pickup and the can was not emptied, you should contact Republic Services at 801-785-5935 by 3 PM the day after your regular pickup day, to schedule them to come back. If notification regarding a missed container is made after that time, Republic Services will not be able to return until the next scheduled picked up day.

Garbage collection is affected by the holiday schedule from the Transfer Station:

- Memorial Day – May 30, 2016 pick up one day late
- Independence Day – July 4, 2016 pick up one day late
- Labor Day – September 5, 2016 pick up one day late
- All other holidays are normal collection days

Additional Garbage Cans

Contact the Utility Billing Office at 801-489-5655 to request additional garbage cans. The charge is listed on our Utility Rates page. Additional cans must be kept at least 3 months.

Utah County Transfer Station

Garbage may be taken to the garbage transfer station.

Hours: Mon-Sat, 7 am to 6 pm

Location Exit 263 – 400 South Springville

Phone: 801-489-3027

For rates and other information, please contact the Transfer Station

Mapleton City currently does not offer curbside recycling. However for a fee you are able to deliver your recycling item to the Springville Transfer Station located at **2450 West 400 South** in Springville, Utah.
