

City Council Meeting Agenda Request

Date of City Council Meeting..... August 5, 2014
Person Requesting..... Public Works Director
Department..... Engineering /Public Works
Time Required for Agenda Item..... 10 Minutes

A G E N D A I T E M

TO CONSIDER A RESOLUTION AUTHORIZING THE PUBLIC WORKS DIRECTOR TO PURCHASE ONE NEW SNOW PLOW VEHICLE FOR THE PUBLIC WORKS DEPARTMENT.

BACKGROUND INFORMATION:

The Public Works Department is currently in need of replacing one of its oldest snow plow trucks.

The existing vehicle is a 1987 Ford F900 truck which has provided the city with 27 years of service. The replacement of this vehicle will be purchased thru the Utah State Contract Bid Schedule.

COST:

The cost of a new - 2015 Freightliner 114SD 6x4 Chassis, 15' Dump body, V-box stainless steel spreader and snow plow, is \$186,943.00

The current plan is to rotate vehicles with a minimum of 7-10 years or when maintenance cost become an issue.

The monies for this vehicle would be coming out of the Capital Project Class "C" road reserve fund (45-36-10).

The department is currently planning to replace another service vehicle during the 2014/15 budget year.

RECOMMENDATION:

Recommend that the Public Works Department purchase one new snow plow and surplus the existing older vehicle to offset the cost to replace the new vehicle. Cost \$186,953.00
