Summer Tutoring

Our spring semester will be finishing up in six weeks and we are now gearing up for the summer semester. This would be a good time for you to get your student on the waiting list if you would like a tutor for this summer. Our summer semester goes for 8 weeks, two times a week in the afternoon. Come into the library and get a student registration form to fill out. Spaces are limited.

Volunteers Needed

We continue to look for more volunteers to tutor at our center. It is a commitment of 1 hour, two times a week in the afternoons. It's a great opportunity to support the families in our community and a great experience to have for scholarships, resumes, civic or church goals. Call Judy for more information today at 801-489-4833.

Mapleton's Annual Used Book Sale

Thanks to all the good quality donations we have had this year. The book sale will be the best ever. If you have any books you would like to donate to our Literacy Center or this book sale, we would appreciate it. Please remember, we do not accept manuals, school textbooks, or encyclopedias. Call 801-489-4833 for more information.

Thank You

We want to shout out a big thank you to the volunteers that have made a huge difference with their students this year. You truly inspire us. Call Judy for more information today at 801-489-4833.
