

City Council Staff Report

November 2, 2016

Applicant: Mapleton City
Prepared by: Stacey Child
Public Hearing: No

REQUEST

Consideration for approval of the Parks and Recreation Director to accept the bid from H&H Steel Fabrication, Inc. for fabrication and installation of an ornamental iron fence at Mapleton's North Park, located at 1403 West 1600 North, Mapleton.

BACKGROUND AND PROJECT DESCRIPTION

In 2015 the city replaced the old chain link fence located on the East, South, and West sides of Mapleton's North Park, located at 1403 West 1600 North, Mapleton. The front section (North Side) of chain link fence was not replaced. In order to help beautify North Park, the City would like to replace the old existing chain link fence with an ornamental rail iron fence. (please see attached documentation for concept plan). Not only would this improve the overall appeal of the park, but would help in weed control. The lowest bid received for the fence was from H&H Steel Fabrication, Inc. The cost for H&H Steel Fabrication, Inc. to complete the fabrication, powder-coating, and installation of the fence is \$15,500.00.

H&H Steel Fabrication, Inc. bid and fence concept plans will be discussed the night of the council meeting. (Please see the attached bid and drawing)

Funding for the fence at North Park is budgeted for in the 2016-17 Parks Budget.

RECOMMENDATION:

Staff recommends that the Council approves Mapleton City to accept the bid from H&H Steel Fabrication, Inc. for fabrication and installation of an ornamental iron fence at Mapleton's North Park for the amount of \$15,500.00.

H & H Steel Fabrication Inc.
